A Panel & Community Round Table on Belonging

and the

Annual General Meeting

Wednesday June 14, 2023

6:30 – 8:30 pm

Sydenham Campus, 1130 8th St. East, Owen Sound, N4K 5N8

The Board of Directors of Welcoming Communities Grey Bruce (WCGB) is honoured to invite you to our fourth AGM to be followed by a Panel Presentation and Community Round Table Discussion.

We would like to use this AGM as an opportunity to think together about how to build a region where everyone belongs. The panel and round table discussion will consider: Where have we come from? What are the actions and priorities to build a future that is more inclusive and where everyone belongs?

The perspectives of our panelists and invited guests will help Welcoming Communities Grey Bruce chart its future work and priorities.

An agenda for this community gathering is attached below. Light refreshments will be served.

We look forward to seeing you on June 14th. Please RSVP by Friday June 9th to confirm your attendance with Board Member Donald Anderson by email: kerr0739@bmts.com
